

Hello October

Reading Corner

Spinderella the spider has a passion for football! She tries to play a match with her brothers and sisters but she doesn't know how many spiders should be on each team. Even worse, she can't count the goals! Luckily for Spinderella, her Hairy Godmother has a plan...

Crafts are a great way to add learning value to a story. This craft needs black paper, pipe cleaners, eyes and cherrios. Children then slide cherrios onto the spiders legs! Great for counting and hand/eye coordination

Incy Wincy Spider

Incy Wincy Spider
Climbed up the water spout.
Down came the rain
And washed poor Incy out.
Out came the sunshine
And dried up all the rain.
And Incy Wincy Spider
Climbed up the spout again.

I'm A Little Spider

I'm a little spider,
watch me spin.
If you'll be my dinner,
I'll let you come in.
Then I'll spin my web to
hold you tight,
and gobble you up in
one big bite!

Reading to 0-5 year olds is vital for fostering language and literacy skills, strengthening the parent-child bond, and promoting cognitive development. It expands vocabulary, enhances attention span and memory, and develops critical thinking through imagination and story comprehension. Regular reading creates a love for learning and provides a foundational advantage for future academic success.
